## Treasure Hunt

Follow this map to discover 6 locked treasure chests. Each one will give you the clues you need to continue the hunt for the location of the ballot box, so make sure you follow the map's order! The final location will only be revealed once you've collected all the clues from the locked chests. Good luck on your adventure!

## CODE RED

Go to the Rental House and collect a secret decoder. Use this tool to reveal the hidden message found at each sponsor's poster, slowly revealing the final code you will need to unlock the ballot box. You must start at the Rental House for this game to work! Please leave your decoder in the locker when you are done.

## THE LUCKY DUCK

The sponsors below each have 5 ducks hidden throughout their store. Only ONE of their ducks are lucky, and they will be marked with a red star. The ducks' names are written on the poster found at the front of the store. Write the names of each lucky duck on your game card. The highlighted letters will give you the code needed to unlock the ballot box at Steinbach Family Resource Centre and submit your completed ballot as your entry to win this game prize!

## FOR THE RIGHT PRICE

Find each store's featured item and enter its price on your game card. When all 5 items have been found, the highlighted digits will reveal the combination you'll need to unlock the ballot box. When you have all six numbers, use the revealed code to open the ballot box at Steinbach Family Resource Centre and submit your completed ballot as your entry to win this game prize!
